MRS. A.D. (MILTON) STARNES

The Senior Class of 1966 esteems it a privilege to dedicate this edition of GOLDEN MEMORIES to a woman, who for the past twenty-five years, has exerted herself both spontaneously and generously to helping students of Hendersonville High School. She unselfishly promotes the March of Dimes drive annually. It is through her wisdom and guidance that we bring you GOLDEN MEMORIES of 1966. Our gratitude and sincere appreciation are in the honor of Mrs. A. D. (Milton) Starnes.

## THE GOLDEN MEMORIES STAFF

An anniversary is usually anticipated with tenderness. This yearly event brings to mind memories possessing affectionate as well as sad qualities.

It is the purpose of the staff, of the 1966 edition of GOLDEN MEMORIES, to preserve in vivid pictorial form the Silver Anniversary of Hendersonville High School. We hope that in the future it will help us to forever cherish all renewed thoughts of acquaintances, joys, and even heartaches that we have experienced during our high school career.

## H.H.S. BAND

The Hendersonville Band of Gold will lose twenty-three seniors this year. During the past five years they have been responsible for helping win all the trophies we have. Most of them were with us in the beginning years of 1961 and 1962. They have helped build a reputation for our band that will be remembered for years to come and will certainly give bands at Hendersonville something to strive for in the future . . . only Superior and Excellent ratings.

There have been numerous assembly programs, concerts, pep rallies, football games, Bowl games. These will always be a part of our senior class memories as well as the Christmas parties, the motels and hotels away from home, the long bus rides, the packing, unpacking, polishing, cleaning, standing inspection, marching, a standing ovation, 200,000 people listening in Memphis, one person listening to tryouts, candy sales, raising money for uniforms, tempers, love, more candy, records, sixth period . . . and it has now ended. Best wishes to our record-setting Seniors of 1966.

The coaches enjoyed working with this group of boys this year, more than any other group in the past.

This team rates tops in its spirit and morale. The team, as a whole, was short on ability *but* long on "hard work" and desire.

Without these characteristics the record of 19 wins and 5 losses could not have been achieved.

The coaches regret seeing these seniors leave. It has truly been an honor and a privilege to work with these five gentlemen.

These girls had *one* starter back from the '64-'65, with a record of 19-6 for the season.

The record of 16-5 this year is a true example of the desire and spirit of this team.

With all of these girls returning next year the pressure will be on them more than ever before. We feel confident that these girls will respond with championship play in '66-'67.

Ratsen: To a real great friend who I have had a lot of good times with for the last two years. I bet ya next year we wont be in any of each others classes, but we will see each other a lot. Remember all the office trips we had and how much fun it was. Even though we did have 7th period every other day we had some great times in there. Remember when you told oh Mr. Wallace off that was pretty funny. Good luck with Donnie, and Louis, you'll need it. I bet when Donnie & Bill came over your house you really had a great time. Don't forget last year when I didn't know Donnie or Earl how I use to talk to them on the phone, sorry about that now, they really are great kids. I think that you and Donnie make a great couple together, I hope that you'll do get back together, then we can really have a lot of fun when we double date. Dont ever forget all of our rides on our vehicle if you know what I mean & I know you do.

To Patsy: To a nice  
 friend, I wish in your  
 following years of school
